SAVANNAH'S MAYOR

Van Johnson

It's not too late for every resident of Savannah to be counted in the 2020 Census. Your response helps our city receive its fair share of federal funding for programs our residents depend upon including medicare, school lunch programs, housing assistance and so much more. It's safe and easy to respond online, by phone, by mail, or by cooperating with a census taker when they knock on your door.

BIRMINGHAM - ALABAMA

Hi, I am Mayor Randall Woodfin. It is imperative that residents of our great City of Birmingham self-respond to the 2020 Census Today. It is fast, easy, and safe! Census data is used in planning future government services, and it determines the amount of federal and State funding Birmingham receives over the next 10 Years. This will only happen if we self-respond right now. We can do it. Respond online at MY2020CENSUS.GOV or by phone at 844-330-2020. Act Now!

Mayor Robert Reichert

It's not too late to respond to the 2020 Census. We're depending upon every Macon-Bibb resident to be counted to secure federal funding for our schools, hospitals, infrastructure and so much more. If a census taker visits your home, it's complete safe to answer their questions. Shape the next 10 years of our community by self-responding or by cooperating with a census taker.
